

6th November 2024

Dear Parent/Carers,

Re: Maths Week England

To celebrate Maths week next week, we would love for our youngest learners in Reception, Nursery and Tiny Trees to join in with a 'Maths fancy dress day' on Thursday 14th November.

We would love for your children to get involved and get creative to dress up as a number, dice pattern or to wear a number of accessories e.g. 3 hair bobbles.

I have attached some images to give you ideas. We hope you can support us in bringing our love of maths to life.

Yours sincerely

C Deans

Mrs Deans
(Reception Teacher/ Early Years Maths Lead)
