Dear parents and carers,

As you may be aware the Government have extended free childcare hours for some eligible children. Working parents may be entitled to 30 hours a week of free childcare. As a school we currently only offer parents 15 hours of free childcare, however due to a number of enquiries we are considering extended this.

30 hours of free childcare would mean offering places for children to spend the whole school day in Nursey, this would not include Breakfast Club.

If you are a working parent then you can check if you are eligible for a 30 hours Nursery place at the link below:

Could all Nursery parents please complete the below MS Form:

Thank you
