

Book FREE water safety lessons for your family in October half term

Dear Parent/Carer,

I am delighted to let you know that your school has been selected to take part in the Black Country Water Safety Programme. The FREE Wolverhampton programme is being delivered by a consortium of partners including Active Black Country, Swim England, the Royal Life Saving Society and the Canal & River Trust.

This is an amazing opportunity for the whole family to get involved in learning important water safety skills. We are so aware how important the **Water Safety Code** is and the importance of being safe in and around water. **You and your KS1 and 2 children** can take this one step further and put the skills they have learnt at school into practice at **FREE** water safety themed sessions at **Wolverhampton swimming and Fitness centre, Bentley Bridge**.

The **Water Safety Programme** family session is a 60-minute instructor led session that will focus on teaching water safety skills to all the family in a fun and engaging way.

1 parent to 1 child and a child must come with an adult

You do not need to be able to swim to take part, the sessions are aimed at beginners and improvers. The sessions will take place at:

Wolverhampton swimming and fitness centre:

Bentley Bridge, Planetary Road, Wednesfield, Wolverhampton, West Midlands, WV13 3SW

Saturday 26th October at 4pm

Saturday 2nd November at 4pm

There are limited spaces available, and booking is essential.

To secure your booking contact Sam Perks: Sam.Perks@connectedpartnership.com , 01902 290151

If you have any questions, please do not hesitate to contact me.

Yours sincerely, *Helen Bourton*
