Dear Parents/Carers

Re: Welcome Back Autumn 2023

I hope you have all had a great summer and have spent time with your family and friends. It has been lovely to see all the children back in school this week and see them settle into their new year groups so well. We look forward to our youngest pupils starting next week.

Attendance at Fallings Park

Attendance will be a focus at Fallings Park this year. It is always high on our priority list, but we would like to promote good attendance and reduce persistent absentees. We hope by building strong relationships with families, pupils have the support to attend school.

Events Letter

Please follow this link to the schools Events Letter - [Events letter Autumn 2023](#). This will be sent out throughout the year to keep you updated with everything that is happening in school.

Fallings Park Primary School New Facebook Page

The new Fallings Park Primary School Facebook page has gone live. This page will contain lots of information about what is happening in school and up coming events. If you have any questions regarding a post, please contact the school office or the year leader by email. The office is open from 7.30am until 4.00pm if you would like to call or speak to someone in person.

I would like to thank Wendy Wilson for all her support on the school parent led Facebook page over the years. I know she has answered your questions and helped families whenever she could.

School Gateway App

School is now using a New App for all payments and communication with Parents. From here you will be able to pay for your child's school meals as well as be receiving information regarding school visits, clubs, and events throughout the year.

Please download 'School Gateway' from your App Store and press sign up. Enter your mobile telephone number and email address that is registered with school.

If you have any problems with registering on the App or any queries on anything detailed in this letter, please contact the school office on 01902 558375.

Yours faithfully

S Pedley
