

8th January 2023

Dear Parent/Carer

RE: Kingswood Residential – Parent/ Carer Information Session – Friday 19th January

In Year One, your child has the opportunity to attend an overnight residential stay at Kingswood. During this stay, children take part in two days of exciting forest school activities. Your child will sleep overnight in a dormitory style room supervised by their teachers from school.

Kingswood offers an unforgettable opportunity to teach life skills, build confidence and create a better understanding of the world. Spending time away from home can also offer children a chance to embrace adventure, take calculated risks, face new challenges and build self-esteem.

You are invited to attend an information session on Friday 19th January at 8:45am to find out more about what the residential involves, how the children will be supported and you will be given the opportunity to ask any questions you may have.

This session will take place in the central hall. Please enter the hall directly from the Key Stage 1 playground when you drop your child off in the morning.

We look forward to seeing you there.

Yours faithfully,

Miss Smith

Year Leader (Year 1)
Fallings Park Primary School
