Dear Parent/Carers

Shared Reading Book

Your child will be bringing home a shared reading book.

This book does not need to be brought into school every day. When the book is returned to school, we will exchange it for a new one.

This book is different to their school reading book which must be brought to school every day.

Shared reading books are not matched to your child's phonic ability but is a book to enjoy with an adult. Children need to develop pleasure in reading, motivation to read, an increased vocabulary and an improved level of understanding. They will do this by listening to, and discussing, a wide range of poems, stories and non-fiction books at a level beyond that which they can read independently.

Please look after these books, and ensure they are returned to us, so that other children can enjoy them in the future.

Thank you for your support,

The Year One Team
