

Dear Parents and Carers,

As part of our space topic in Science this term, Year 5 have an exciting event taking place on **Wednesday 5th March!** The Wonderdome planetarium are coming in to give us an amazing experience. We will be able to see the planets, stars and galaxies up-close and learn from space experts.

In order to have this fantastic session, we are asking for a contribution of **£5 per child**. This can be paid via the School Gateway app. If we don't raise enough money, the planetarium may need to be cancelled.

Thank you for your continued support,

The Year 5 Teaching Team.
